Strawberry Hill House opens!

Over the last few months, work has been steadily continuing at Strawberry Hill House and is now nearing completion! Internally, the kitchens have been installed, bathrooms are currently being tiled, the flooring will soon be laid and all the finishing touches will be added.

The apartments have been designed for independent and assisted living, for those over 55. It is our sincere desire that Strawberry Hill House will truly be a haven of rest to our elderly friends. Any friends unable to visit on the Open Day but who would like to visit, please contact us by email or telephone below.

We are very grateful to all of our supporters for all their help and support given to us over the past eight years. May God have all the glory.

This will be followed by a

THANKSGIVING SERVICE

at 3pm

Hanover Chapel, Hanover Road,
Tunbridge Wells, Kent
TN1 1EY

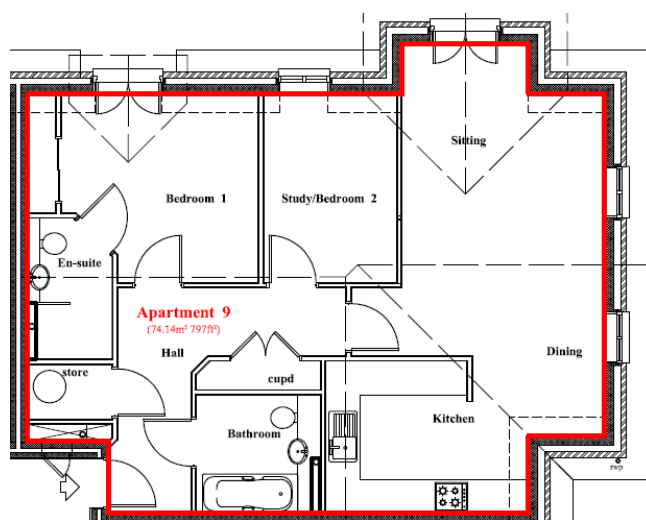

Mr Jabez Rutt

All friends welcome

Strawberry Hill House Apartments

Strawberry Hill House contains three one-bedroom apartments, seven two-bedroom apartments, and a library, communal lounge, kitchen and orangery. It is designed to support an independent lifestyle but with the option of bringing in care and support services, if or when required, thus saving on escalating care home fees.

Example: Apartment 9

- Spacious open plan living area with Juliet balcony
- Fully fitted kitchen with hob, oven, microwave, dishwasher, washer-dryer and fridge/freezer
- Bathroom with bath and WC
- Main bedroom with built in wardrobes and en-suite shower room

The development stands in its own grounds with landscaped gardens, your own allocated parking space, and a gated entrance for your security. This is further enhanced by the video door entry system.

All apartments will receive one hour of domestic/care assistance per week from our 'Helping Hands' service, which is included in the monthly service charge. This also covers most maintenance costs, so you no longer have to worry about looking after the garden, cleaning the windows, repairing the roof etc, as all this will be done for you.

The communal lounge and orangery is a lovely space in which to meet with your family, friends and neighbours for a coffee and a chat, thus helping to combat loneliness, which we hear so much about in the news. This area can also be used for family celebrations, singing evenings and other occasions.
